ACHIEVEMENTS

International Recognitions

- The ISO 9000 series of standards is the main set of International Standards applying to the management of quality systems. It includes ISO 9001, the key internationally agreed standard for a QMS. Businesses can be certified against this standard when they meet its requirements.

New opportunities

- Achieving ISO 9001 certification could lead to new business. Not only can it help distinguish you from competitors, but many large businesses and public sector organisations require suppliers to be ISO 9001 certified. It's a globally recognised achievement, so may lead to a higher profile and increased business overseas.
